

iRobot®
Roomba®
Vacuum Cleaning Robot

Roomba® 880

FEATURING AEROFORCE™ PERFORMANCE CLEANING SYSTEM
Delivering up to 50% more cleaning performance

**Tangle-Free
AeroForce™ Extractors**

Counter-rotating extractors break down debris and lift dirt while the brushless design is virtually maintenance free.

Airflow Accelerator

Concentrates airflow through a sealed channel to multiply vacuum power.

High-Efficiency Vacuum

Custom engineered to maximise the vacuum power for optimised robotic efficiency.

ROOMBA 880 FEATURES

COVERAGE

Vacuums on its own using iAdapt® Responsive Navigation Technology.

Makes multiple passes of every section of your floor.

Cleans along wall edges using a spinning side brush for the most thorough floor coverage.

Navigates under and around furniture and through loose cords without damaging household objects.

Avoids stairs and other drop-offs.

Optically and acoustically detects dirtier areas and cleans them more intensely.

CONVENIENCE

AeroForce™ Extractors eliminate the hassle of hair-tangled brushes.

Automatically charges itself between cleanings.

Cleans on a schedule that's convenient for you.

Stays in one room until it is completely clean then moves to the next.

Works on all floor types.

iRobot® Roomba® 880 is the ultimate high performance robot vacuum cleaner. Featuring the revolutionary new AeroForce™ Performance Cleaning System and AeroForce™ Extractors, it's proven to remove up to 50% more dirt, dust, hair and debris from all floor types with less maintenance hassle.

Vacuuming couldn't be easier than with Roomba 880. Just press "Clean" and Roomba gets on with the hard work. It finds its way around effortlessly, avoids obstacles, vacuums under furnishings and effectively cleans every area, covering the floor multiple times and focusing extra cleaning energy where it's needed most.

Roomba 880 is ideal for allergy sufferers and pet owners and it's also virtually maintenance-free. You don't even need to be at home to do the cleaning! Simply set up the schedule and you can go out and do far more enjoyable things, then come home to beautifully clean floors.

NEW AEROFORCE™ PERFORMANCE CLEANING SYSTEM

- Revolutionary new cleaning system delivers maximum cleaning performance through the ideal balance of vacuum suction and debris extraction
- Counter-rotating **Tangle-Free AeroForce™ Extractors** break down debris and lift dirt while the brushless design is virtually maintenance free.
- The **Airflow Accelerator** concentrates airflow through a sealed channel to multiply vacuum power.
- The **High-Efficiency Vacuum** is custom-engineered to maximise the vacuum power for optimised robotic cleaning efficiency.

ROOMBA 880 OUT-CLEANS THE COMPETITION

- 5x more powerful vacuum than previous Roomba models.
- Vacuums every section of floor multiple times.
- Detects dirt and debris and concentrates extra cleaning effort where it's needed most.
- Manoeuvres under and around furniture, beds and curtains.
- Cleans along wall edges.
- Avoids stairs, obstacles and loose wires.
- Works in cluttered rooms without damaging furniture or fragile objects.

LESS MAINTENANCE HASSLE

- Tangle-Free AeroForce™ Extractors virtually eliminate the hassle of hair clogs and jams and are faster to clean than vacuum brushes.
- Less frequent maintenance and cleaning of the robot.
- Longer lasting component parts.
- Requires no tools for maintenance.
- New iRobot XLife™ Battery delivers twice as many cleaning cycles as previous Roomba batteries, doubling the time before a replacement battery may be needed.*

*Roomba runtime remains the same between recharges. Battery lifetime varies with usage and home environment. Use Roomba as directed for longest battery life.

SPECIFICATIONS	
Robot Dimensions (cm) 35.3L X 35.3W X 9.2H	Units per Master Carton 1
Robot Weight (kg) 3.8	Master EAN 5060155408071
Voltage 240V	Master UPC 10885155004724
Retail EAN 5060155408064	Master Carton Dimensions (cm) 54.2L X 15.2W X 43.7H
Retail UPC 885155004727	Master Carton Weight (kg) 6.7
